Please extend a personal invitation to any recipient you know, and we’ll honor them on Sunday, 8 August, from 1030 until 1330. (Don’t forget to tell them they don’t even have to wear a coat & tie if they don’t want to, casual dining is available on Sundays!)

## Mark your Calendar for Neon Horizon on 21 August

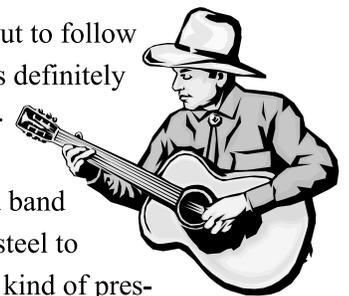

The Community Concert Series continues on **Saturday, 21 August** Neon Horizon. Concerts begin at 4:30 p.m. at Oyster Point, overlooking Legion Lake on the lawn adjacent to the Officers’ Club.

Neon Horizon provides talented covers of current and classic country tunes. Recently Neon Horizon was the host band for Ambassador Charlie Ray’s Third Annual Music Festival. According to Graceland Entertainment in Nashville, being the host band is one of the most high-pressure gigs a band could ever play.

“Imagine walking out on stage knowing 40 or 50 record company executives are watching your every move. Now imagine some of the tightest bands in the U.S. and

Canada are about to follow you. The heat is definitely on in that situation. It takes a highly polished band with nerves of steel to perform in that kind of pressure cooker environment. Kevin (Snyder, band leader) and the boys dealt with the pressure and came through with grace and style,” Ray said.

This concert, as with all the concerts in this series, is **FREE** and open to the public. Coolers and pets are not allowed, but definitely bring the entire family, friends, neighborhood and lawn chairs. Hot dogs, hamburgers, barbecue rib dinners and a variety of ice-cold beverages will be avail-
