## *Fort Jackson Dining Facilities*

### *Go "GREEN"*

Now, when visiting the Dining Facilities here on Fort Jackson, you will see the "GO FOR GREEN" labeling system throughout to assist our Soldiers in identifying those food choices designed to optimize their performance.

Also, beginning 1 February 2011, the DOL Food Service Program will implement a new menu standard designed to fuel Soldiers like professional athletes in training.

**Eat like an Athlete  
Train like a Pro  
Perform like a Champion**

**High Performance Foods**

- Premium fuel for the Soldier Athlete
  - Fresh and flavorful
  - Nutrient dense
- Go for **Green**: Choose frequently

**Moderate Performance Foods**

- Higher in calories
- Lower in vitamins and minerals
- Use Caution: Select less frequently

**Performance Limiting Foods**

- Highest in calories
- Lowest in vitamins and minerals
- May hinder performance
- Warning: Limit intake

We are very excited about this transition and hope you, too, will enjoy some of our new menu options!

### *Mr. Don Culver*

The DOL welcomes Mr. Don Culver as Chief, Maintenance Services Division, coming to us from Fort Gordon, GA. Mr. Culver served in the U.S. Army and has extensive backgrounds in the maintenance and logistics fields, having held civilian positions as Installation Maintenance Officer, Logistics Program Manager, and Chief, Maintenance Division. ### *Ms. Beverly Sowell*

Ms. Beverly Sowell, Supervisor, Food Services Branch, has accepted a position in Germany and will be leaving us on 12 February 2010. Ms. Sowell has served with the DOL since October 2005, beginning as a Quality Inspection Specialist eventually being promoted to her current status. We will most certainly miss her presence and contributions to the DOL.

## *Central Issue Facility*

CIF will begin issuing the 3rd item (jacket, cold weather (green fleece) of the IET retain issue program. BCT Soldiers will receive one pair of ballistic eyewear, GEN II parka (GORTEx) and jacket cold weather (green fleece). We are waiting for more spacious accommodation for issuance as the current location in CIIP is not adequate.

A Reclamation Clothing Sale is tentatively scheduled for 1-2 February 2011, from 0800-1500, at 2570 Warehouse Row. The sale is open to all ranks of Active Duty, Reserve and National Guard Soldiers.
